

REACH-Kids Playgroup

At Rolling Fields Baptist Church
1858 E. 8th Street
Jeffersonville, IN 47130

Play Pal Guidelines

Clothing

We may do crafts, play on the playground, and do other activities that could get messy. Please send your child in clothing you do not mind getting messy. Also, your child will need an extra set of clothing and underwear/diapers and wipes in case of an accident.

Items from Home

Children with sensory issues are encouraged to bring an item or toy that may help calm them. Please keep in mind accidents do happen and a toy could be lost or broken. A sensory room is equipped with several items at the playgroup.

Snack Time

A Healthy Snack is provided to each child. **PLEASE do not bring** any outside drinks or snacks to the playgroup. This is a precaution for anyone having food allergies.

Be a Play Pal

Our goal at REACH-Kids, is every child is SAFE and have lots of FUN. We understand the children who come to REACH-Kids has a unique behavior to overstimulating sensitivities of sight, sound, touch, taste, smells and transitioning. However, for the safety of every child and staff member, any ongoing behavior that cannot be resolved may be cause for dismissing a child from the playgroup, (ex...no pushing, hitting, biting, cursing, kicking, elopement), in which case the parent/guardian will be required to pick their child up immediately.

The Childcare Coordinator will notify the parent/guardian to discuss any efforts or techniques to help eliminate future behavior. An incident/accident form will be completed.
